definitively: one hour before the Technical Meeting to the responsible IHF representative (16 players taken from the provisional list). Registration must be executed on the relevant IHF form.

Each team may replace a maximum of two players (against two players indicated in the provisional list) during the entire tournament (e.g. each team may put in two new players or may put in a player who has already been replaced once), i.e. the 'list of 16' may be changed twice at most. Players may be replaced against players indicated in the provisional delegation list ('list of 28') only.

If a team has registered less than 16 players, it may register one additional player during the World Championship.

Procedure for late registration or substitution of one or several players

New players must be orally registered with the Competition Management or the respective IHF delegate in the respective venue no later than 9am on the respective matchday. A written registration and a proof of citizenship (passport, etc.) shall follow one hour before the match at the latest. The official IHF form (see Annexe) must be used.

Registration on the IHF form for that very purpose (see Annexe) must contain the following information in English:

- c) **Players' clothing**
Colour of first and second set of clothing, separately for shirts and shorts; goalkeepers' first, second and third set of clothing.

Players who have not officially registered by the date stipulated shall not be allowed to play in the competition. Please be notified that it is not allowed to take the role as both a player and official simultaneously.

2.6. Players' clothing

Players' clothing worn at the 2012 IHF Women's Youth World Championship shall be subject to the IHF Regulations.

2.6.1. Players' uniforms

All the court players on a handball team must wear identical uniforms. The combination of colours and design of one team must clearly distinguish from the colours and design of the opposing team.

Players must wear sports shoes.

It is not permitted to wear objects that could be dangerous to the players. This includes, for instance, head protection, face masks, bracelets, watches, rings, visible piercing, necklaces or chains, earrings, glasses without restraining bands or with solid frames, or any other objects which could be dangerous (Rulebook 17:3).

Flat rings, small earrings and visible piercing may be allowed, as long as they are taped over in such a way that they are no longer deemed dangerous to other players. Headbands are allowed, as long as they are made of soft, elastic material.

Players who do not meet the aforementioned rule will not be allowed to take part until they have corrected the problem.

2.6.2. Colours

Each team must possess two (2) differently coloured sets of players' uniform, including at least:

- a) one (1) set of light-coloured shirts and one set of light-coloured shorts
- b) one (1) set of dark-coloured shirts and one set of dark-coloured shorts

c) three (3) differently coloured shirts for the goalkeeper.

One colour should very clearly cover the major part of the shirt.

All players of a team used on the goalkeeper position must wear the same colour that distinguishes them from the court players of both teams and the goalkeeper(s) of the opposing team.

All goalkeepers of one team must wear the same shirt colour. This also applies to a court player temporarily acting as a goalkeeper.

The colour of the players' numbers shall differ from the main colour.

In each match one team shall wear light-coloured shirts and the other team dark-coloured shirts.

The uniform sets (named 1st and 2nd in order of preference) of the teams shall appear on the team list.

At the initial Technical Meeting of the IHF competition, each delegation is obliged to show the two differently coloured sets of uniforms (two for the court players and three as regards the goalkeeper).

The colours have to be decided at the initial Technical Meeting. The decision of colours in each match will be taken with participation of the team representatives and the IHF Technical Delegates. In case of disagreement regarding the colours the team named first has the right to choose the colour.

After completion of the preliminary round a second Technical Meeting will be held on 23 August 2012 during which the colours for the quarter-finals and the placement round shall be decided. The colours for matches as from 24 August 2012 shall be fixed by the Competition Management.

2.6.3. Players' numbers

Players must wear clearly legible numbers, the figures being placed at least 20cm high on the back and at least 10cm high on their chest. The numbers shall be in a different colour from the main colour. Numbers between 1 and 99 shall be used.

'Temporary' goalkeepers must either have a goalkeeper shirt with the number that they normally have as a court player, or they must put on a sleeveless shirt bearing the colour of their teams' goalkeeper shirt, with holes giving a view of the number on the regular shirt. If they put on a sleeveless shirt, colour and type of that shirt must be identical to the goalkeeper shirt. No tolerance will be accepted.

During the entire IHF competition, each player must wear the same number, regardless of her position (goalkeeper or court player).

2.6.4. Players' names

The player's surname or popular name, that is identical to that indicated in the team list, must be displayed, in clearly legible 7cm high (minimum) capital letters, above the player's number on the back of the shirt. The names must be written in Roman letters. The teams are responsible for the application of the names.

2.6.6. Approval procedure

The players' uniforms shall be presented to the IHF in good time for examination. The teams participating in the Women's Youth World Championship must forward a sample or coloured photos of the uniforms they want to use in the competition to the IHF Head Office no later than 16 July 2012. The examination of uniforms will be carried out by the Head Office. The Head Office shall approve the uniforms in writing prior to the tournament.

The nations are obliged to bring with them only such approved uniforms for the tournament concerned.

The teams are obliged to wear the uniforms approved for the match in question.
